

# Explorations in Art for Area Veterans

## Photography, Drawing with Pastels, and Watercolor

The Newburyport Art Association, in collaboration with the local Veterans Administration and the City of Newburyport is pleased to announce its 2018 Fall schedule of art classes for Newburyport area Veterans. The classes are an opportunity for Veterans to explore various art forms in a comfortable and safe environment. Classes are held at the NAA and require a \$25 registration fee that allows Vets to register for one or all of the offered classes at no additional cost. All materials and supplies are provided and made possible with institutional and individual donations.

### **Photography with Jay McCarthy**

Mondays, October 15, 22, 29

10:00 -11:30 a.m.

This class is geared toward the beginning photographer who wants to learn about their particular camera as well as photography concepts in general.

### **Drawing with Pastels with Robin Thornhill**

Mondays, November 5, 19, 26

10 -11:30 a.m.

In this class students will explore the fundamental building blocks of a good drawing by using pastels, and natural forms found in nature.
