

Susan Dosick

Local artist Susan Dosick graduated from Massachusetts College of Art and Design and earned an MFA in graphic design and photography from Rochester Institute of Technology. She taught all aspects of art at Amesbury High School for many years and since retirement has focused on printmaking, book arts, and painting. Her favorite printmaking technique is collography, in which a collaged plate of different textures is printed with ink onto fine paper under the pressure of an etching press. Her work emphasizes a visual narrative that involves the viewer in a moment in time and sparks their imagination.
