

April 21, 2020

Dear Members,

We hope this communication finds you and your loved ones well. Art is a consistent source of joy and comfort in the good times as well as the trying times that we are all experiencing now. We are encouraging each member, as your rolling membership expires, to please renew. More than ever before, the NAA needs your support so we can keep supporting you and bring your art to our community. As mentioned in my April 2nd communication, the NAA Board is working hard behind the scenes to continue to bring benefits to the membership and the general public, including the Fall Juried Show online and the Annual Art Auction, which has been re-scheduled for September 26th. We are looking for volunteers to help with these efforts. We are also being thoughtful and strategic about the NAA's re-opening when it is a safe and viable time to do so. It is our top priority to bring back the NAA stronger and better than ever before. Together, we will get through this extraordinary challenge.

Thank you for your support.

Board President
